DIRECT CREMATION

(Unattended – No Service)

£1,375.00

We appreciate that not every family wishes to have a traditional attended funeral, therefore we offer a 'Direct Unattended Cremation' to provide a simple but dignified alternative

The Direct Cremation does not include a service at the crematorium and therefore, the family or public are not permitted to attend the Crematorium Chapel. The date and time of the cremation is selected by the Funeral Director.

The Direct Cremation includes:

- Attending to all necessary legal and administrative arrangements
- Transfer of the deceased from an identified location within a 20-mile radius to our Chapel of Rest, during office hours. *(Taking over care out of office hours will incur an additional charge – please see Additional Options Price list)*
- Care of the deceased until the day of cremation, conveyance from our Chapel of Rest directly to a Crematorium, in our private ambulance.
- A Basic coffin

Based on your requirements you will need to add the Direct Cremation fee which is charged by the Crematorium to this package.
